

Signature Lockers

Metal Lockers

Quick Overview:

F Doors 16 GA.
Body 24 GA.

🔧 Knocked down
or assembled

Jorgenson Signature is our quintessential standard locker and is well equipped for handling the stresses of daily use. Because of its exceptional versatility, the Signature is recommended for many basic storage applications. Signature Lockers offer 24 GA steel bodies with a solid, 16 GA steel door for ensuring durability. Doors shorter than 12" will have 18 GA doors. Smooth function is ensured with the addition of nylon glides and rubber bumpers on every door.

Lockers are finished in a durable, baked on powder coat available in 28 standard colors. Quick ship is available in 5 colors and select sizes. Signature models are available in single, double, triple and multi-tier, duplex, 2-person, wall mount and 16-person styles. Single tier comes standard with a hat shelf and steel hooks, styles up to triple tier feature steel hooks inside compartments. All styles include the option of 6" legs or without legs. Number plates included.
