

An Envoy Solutions Company

Selection, Savings and Service HT Berry and Catholic Purchasing Offer It All!

When it comes to service, HT Berry – and CPS – come to you.

It is no longer just about cleaning. It is about cleaning and disinfecting for the health and wellness of everyone. If you're a religious 501(c)(3), take advantage of the Catholic Purchasing discounted pricing from HT Berry.

With multiple meeting spaces, restrooms, kitchens, and classrooms, it's important to ensure that your facility is as safe as it is welcoming. How can you accomplish this? With knowledge, service, and trusted brands and products from HT Berry.

- Personalized Service
- Contracted Low Prices
- CPS Billing on Invoice
- Net 30 Day Terms

This guide is an overview of the products that are available. However, should you need anything additional or have questions about new products and services, you can always contact your HT Berry Customer Service Agent. Additionally, an HT Berry sales representative is ready to offer on-site support and product recommendations to get your building ready.

Regional Janitorial Supplies Program

As the national, non-profit purchasing service of the Catholic Church, Catholic Purchasing Services (CPS) exclusively serves religious institutions.

By consolidating the purchasing power of our religious partner institutions throughout the United States, CPS provides the lowest pricing and best assortment on a wide variety of products and services – including janitorial supplies.

The CPS regional janitorial supplies program has been carefully cultivated to match your religious institution with quality suppliers providing local inventory and quality customer care. By purchasing locally via the CPS regional program, shipping costs are kept to a minimum and delivery times are shortened. In addition, HT Berry can provide more hands-on assistance with your janitorial supply needs and questions.

Take advantage of CPS special discounts and HT Berry's superlative customer service – let us help you create spaces that are cleaner, healthier, safer, and greener.
