CPS Regional Janitorial Supplies Program

As the national, non-profit purchasing organization of the Catholic Church, Catholic Purchasing Services (CPS) exclusively serves religious institutions.

By consolidating the purchasing power of Catholic institutions throughout the United States, CPS helps religious institutions save time and money on a wide variety of products and services – including janitorial supplies.

The CPS regional janitorial supplies program has been carefully cultivated to match your religious institution to quality suppliers with local inventory, and WAXIE Sanitary Supply has been selected for the Western Region of the United States.

By purchasing locally via the CPS regional program, shipping costs are kept to a minimum, and delivery times are shortened. In addition, local suppliers like WAXIE are able to provide more hands-on assistance with your janitorial supply needs and questions.
