

580 Washington St. Newton , MA 02458

Ensuring that staff and students feel safe at school and that parishioners may worship freely and securely is paramount. We, at CPS, know that protecting your communities is a priority, most likely the TOP priority. Regarding security, we have read too much about senseless tragedies, we have listened to customers' concerns, and we have handled their requests to procure the right solutions for their unique situations. Security solutions are complex, spanning both the physical plant and the cyber world of data.

In response to this demand, CPS is pleased to announce the launch of **CPS Security Solutions**, a collection of top-tier partners, products, and services to assist dioceses, schools, and churches with both strategic and tactical security planning. Although our offering is new, these solutions are tried-and-true. With diligence, we continue to research new partners and solutions to bring more options to our market on a national scale. We are humbled and grateful to work with a wonderful group of partners, who are so dedicated in their mission to protect others, including our most vulnerable communities.

Whether a single- or multi-site enterprise, the following benefits and services are available:

- Door Entry and Access Systems
- Steel Doors and Hardware
- Interior & Exterior Cameras
- Fire Alarm & Monitoring
- Integrated Alarm, PA, and Clock Systems
- Interior & Exterior Safety Lighting
- First Aid, AEDs, Trauma Kits
- Security Window Film
- Cybersecurity Consulting Services

CPS has the products, services, and knowledge partners to help you protect your community, reduce risk, and stay one step ahead of the bad actors who prey upon us. For more information, or to request a consultation, please visit [www.CatholicPurchasing.org](http://www.CatholicPurchasing.org) (or scan the code below) or **Call CPS at 800.237.4125**.

Kind Regards,

Mary Schell O'Hara  
CEO  
Catholic Purchasing Services

#### VISIT US AT DFMC 2024!

We will be exhibiting in **BOOTH #308** at the Diocesan Fiscal Managers Conference in San Diego, September 30th - October 1st. Stop by our booth to meet me and Jerry Kennedy, our CFO. We're happy to walk you through our mission, services, and products - especially the new Security Solutions.

Minimize your risk, and keep your facilities safe and sound with smart Business Solutions from CPS. Our suite of business solutions includes contracts with best-in-class companies, providing deep savings—**up to 30% and sometimes more**—across critical services necessary to run your organization.

## INTRODUCING SECURITY SOLUTIONS!

The Cook & Boardman family of companies is the nation's premier provider of fully integrated access and security solutions. This includes commercial doors, frames & hardware, electronic access control equipment and specialty products.

A3 is a leading provider of comprehensive IT and security solutions. Their offerings include unified communications, structured cabling, enterprise networking and wireless, IP video surveillance and access control, network security, electrical services, and audio/visual solutions.

Admoveo Systems has been delivering quality School Bell, Synchronized Clock, PA Speaker and Audio Emergency Notification Systems since 2012. Enjoy high-quality products supported by a three-year warranty.

Eastern Solar Glass is a supplier and installer of window films of all types. Their most popular treatments include: Security films, Solar control, Windstorm protection and Anti-graffiti films. They can provide a recommendation that fits the specific needs of your religious institution.
